Learning Activity Sheet for Mathematics Grade 1

Quarter 4: Week 5

This material is intended exclusively for the use of teachers in the implementation of the MATATAG K to 10 Curriculum. It aims to assist in delivering the curriculum content, standards, and lesson competencies.

The Intellectual Property Code of the Philippines states that “No copyright shall subsist in any work of the Government of the Philippines. However, prior approval of the government agency or office wherein the work is created shall be necessary for exploitation of such work for profit. Such agency or office may, among other things, impose as a condition the payment of royalties.”

Borrowed materials (e.g., texts, illustrations, musical notations, photos, and other copyrightable, patentable contents) included in this learning resource are owned by their respective copyright and intellectual property right holders. Where applicable, DepEd has sought permission from these owners specifically for the development and printing of this learning resource. As such, using these materials in any form other than agreed framework requires another permission and/or licensing.

No part of this material, including its original and borrowed contents, may be reproduced in any form without written permission from the Department of Education.

Every care has been taken to ensure the accuracy of the information provided in this material. For inquiries or feedback, please call the Office of the Director of the Bureau of Learning Resources via telephone numbers (02) 8634-1072 and 8631-6922 or send an email to blr.od@deped.gov.ph.

The Department of Education would like to extend its sincere appreciation and gratitude to the United States Agency for International Development and RTI International through its ABC+ Project and UNICEF for supporting and providing technical assistance in the development of the MATATAG learning resources.

Learning Activity Sheet 1

Identifying Positions

Look at the picture below.

Based on the picture, choose the correct word(s) that describe the position of the object from your point of view.

1. The chair is (to the right, to the left) of the table.
2. The delivery bag is (on top of, under) the table.
3. The name of the company is (above, below) the uniform.
4. The toy car is (on top of, under) the table.
5. The uniform is (to the right, to the left) of the toy car.

Assessment 1

Study the given illustration and answer the following questions.

1. Where will Mila be facing after making a full turn?
2. Considering their initial positions, who will be facing the slide after making a half-turn?
3. Where should Miko be facing initially so that after making a full turn, he will be facing the seesaw?
4. Where should Mila be facing initially so that after making a half-turn, she will be facing the monkey bar?

Assessment 2

Study the given pictures and answer the following questions.

Write the letter of the correct answer in the blank provided, considering the point of view of Fely or Kiko.

- _____ 1. In which picture will Fely get a stuffed toy after a quarter-turn to her right?
- _____ 2. In which picture will Fely get a math book after a quarter-turn to her left?
- _____ 3. In which picture will Kiko get a ball after a quarter-turn to his left?
- _____ 4. In which picture will Kiko get a math book after a quarter-turn to his right?
