Brief Introduction

This learning material was prepared for you to increase your knowledge about hyponym. As you go through the challenging but interesting and enjoyable tasks, you will meet and learn new words that will enrich your vocabulary and you will be enlightened on the concept of hyponyms.

Hyponyms are words that can be placed into the same category. They are words that are linked in meaning to, but more specific than another word, known as **hypernym**. For example, car and train are hyponyms of vehicle. Vehicle is a hypernym. Red, black and yellow are hyponyms of color. Color is a hypernym.
