Bias / Perspective

Reliability

- _____ 1. The company manager hires only women because he feels that they are more responsible employees.
- _____ 2. Since the last reporting period, a company has disclosed an increase from \$5 to \$6 in Earnings Per Share (EPS).
- _____ 3. The player shoots with precision, and his aim will always take the ball to the same location, which may or may not be close to the basket.
- _____ 4. The supervisor compared and contrasted the report on the production and expenses of the company for three years.
- _____ 5. A company is being sued for damages by a rival firm, a settlement of which could threaten the company's financial stability. Non-disclosure of this information would render the financial statements unreliable for its users.
- _____ 6. The jury validates all the information and the evidence presented by the affirmative group during the debate.
- _____ 7. Danny weighs every ingredient for his baking test three times already. He is afraid to fail his performance examination.
- _____ 8. A default by a customer who owes \$1000 to a company having net assets worth \$10 million is not relevant to the decision-making needs of the user of the financial statements.
- _____ 9. People treat him like a criminal though he was found innocent.
- _____ 10. All the data presented by the new report were carefully checked and validated before it was aired in the newsroom.

Specific Week: Week 4 & 5

Target Competency: Determine the relevance and the truthfulness of the ideas presented in the material viewed

Note to the Teacher: This is a tiered LAS, meaning, the LAS is developed in a constructivist approach. Activities are arranged in increasing difficulty. You may refer your students to LM pages 266-284 to answer the LAS.
